- Leila Bar LED Light
- Finish and Material Options:
  - **Bronze Powder Coat - Aluminum (HPBAR3MBR-UL (3") / HPBAR7MBR-UL (7"))**
  - **Black Powder Coat - Aluminum (HPBAR3PCB-UL (3") / HPBAR7PCB-UL (7"))**
- 12V, 3" = .5 Watt LED, 7" = 1 Watt LED
- Dimmable
- 2700K Warm White Light Output
- 3" = 105 lumens / 7" = 210 lumens

Installs in a stair riser, a paver wall, bar top surface, or any other material that can hide the flat bar. Lumines a 1' to 3' wide area. Screw holes on "face" and top/bottom so can install with light pointing in any direction.

Includes a 48", 22 ga. Wire and attach & go connector on the end.

Can cut off attach & go, and use silicone filled wire nuts or other waterproof fasteners for connections to the main run.
